APPENDIX 1 SUMMARY OF SPECIAL LEAVE

APPENDIX 2 CAREER BREAK APPLICATION FORM  
(LOCAL GOVERNMENT EMPLOYEES)

## **1. INTRODUCTION**

- 1.1 Within this Policy Ayrshire Valuation Joint Board is referred to as “The Board”. The Nominated Senior Officer and Personal Assistants as referred to as the Board’s Personnel Representatives. South Ayrshire Council’s Human Resources and South Ayrshire Council’s Financial Services are referred to as “Human Resources” and “Financial Services” respectively.
- 1.2 Special Leave is available to all employees of the Board for a wide range of reasons which may be with or without pay. The Special Leave Policy is divided into 3 sections. Section 1 specifically covers matters relating to balancing work and family life, Section 2 covers leave for National, Public and Community Emergency Service and Section 3 covers other leave.
- 1.3 When approving requests for special leave, managers must consider the operational requirements of the Service as well as any requests that have been previously granted, outstanding annual leave and requests governed by legislation.
- 1.4 Managers are encouraged to consider flexible methods of supporting employees, and should use this Special Leave Policy as a means of encouraging attendance.
- 1.5 In cases where unpaid leave would normally apply e.g. study leave, the Nominated Senior Officer, has the discretion to agree changes to working patterns to allow employees to make up the time taken off, by working additional hours. This is subject to operational needs and a record of the agreement should be kept for audit purposes.
- 1.6 Similar flexibility should be considered where paid leave applies, and managers should approve appropriate time off depending on what is necessary.
- 1.7 Applications for Special Leave must be submitted initially to line managers for onward submission to the Board’s Personnel Representatives giving as much notice as possible. Appointment cards or other notification should be shown, where available.
- 1.8 Requests for special leave in the following cases must be passed to the Board’s Personnel Representatives for approval only after authorisation has been sought from line managers and this is supported by the Nominated Senior Officer:-
- Employees with less than 5 years service who request leave of absence to visit relatives overseas; or
  - Employees who apply for voluntary service overseas; or
  - Employees who wish time off to participate in an International sporting or cultural event; or
  - Local Government Employees who wish to apply for a Career Break.
- 1.9 Loss of earnings certificates will only be issued when employees have been granted unpaid leave of absence and as a result have had an appropriate deduction from their pay. They will not be issued for events which took place during a period of annual leave/rostered day off etc.

## **2. SECTION 1 – BALANCING WORK AND FAMILY LIFE**

- 2.1 The Board recognises that the effectiveness of the Board depends on the motivation and commitment of its workforce. The Board fully appreciates the difficulties that

many employees have in balancing work requirements and family/caring commitments.

2.2 All employees have the right to a reasonable amount of unpaid time off to deal with an emergency involving a dependant. A dependant is a spouse, partner, child or parent or a person who lives with the employee but is not a lodger. The right to reasonable time off without pay should simply allow the employee to deal with the immediate problem and put necessary arrangements in place.

2.3 A family emergency can be anything from having to cope with a child being ill and not being able to attend nursery/school, to a close family member being involved in a serious accident or becoming ill and being admitted to hospital. Events such as those outlined above can be traumatic situations for anyone to deal with. The Board therefore recognises that when its employees have to cope with any of these situations they will need the support of a caring and supportive employer.

2.4 If an employee has a family emergency and it does not appear that the Board has a policy/procedure in place to assist in that particular case, advice can be obtained from the Board's Personnel Representatives. Many of the policies allow a degree of flexibility for special arrangements to be made in certain circumstances.

#### 2.4 **FAMILY EMERGENCIES**

2.4.1 If employees are required to be absent from work to make alternative arrangements arising from family emergencies, up to 1 day's leave with pay will normally be granted for each incident. Family emergencies may include incidents such as the sudden or unexpected illness of a relative, partner or child, disruption to the care of a dependent or an incident involving children at school/childcare. All such requests will be subject to review and will be considered on a case by case basis.

2.4.2 In the case of the emergency hospitalisation of a child and an employee has been advised by medical staff to remain with their child while in hospital, leave with pay for up to 5 days will normally be granted. Additional time off may be agreed at the Nominated Senior Officers discretion.

2.4.3 In the case of a critically ill or injured relative/partner, an employee may be granted up to 5 days leave with pay. Additional time off may be granted at the Nominated Senior Officer's discretion.

2.4.4 Where the illness of a relative or partner is of a serious nature and an employee wishes time off to care for that person, they may be granted leave of absence without pay, subject to monthly review.

#### 2.5 **URGENT DOMESTIC DISTRESS**

2.5.1 Where an employee is required to be absent from work to make special domestic arrangements arising from being a victim of domestic abuse or as a result of domestic distress, for example a serious house fire, break-in or burglary, leave with pay for up to three days will normally be granted for each incident. Due consideration would need to be given to the circumstances arising.

#### 2.6 **MEDICAL TREATMENT**

2.6.1 Employees requiring optical, dental, orthopaedic or other medical treatment should make arrangements to obtain treatment out-with normal working hours. For

employees covered by the Flexi time agreement, appointments should be arranged using flexitime.

- 2.6.2 In emergency or other circumstances where a line manager is satisfied that an employee can't get an appointment out-with normal working hours they should allow reasonable time off with pay for the employee to attend an appointment. In such cases, employees should arrange appointments at times which will minimise disruption to their working day and the time off required, e.g. early morning, lunch time or late afternoon.
- 2.6.3 Employees shall be entitled to reasonable time off with pay for the purpose of preventative medical examinations or fertility treatment for themselves, or to accompany their children or an elderly/disabled relative to a hospital appointment.
- 2.6.4 Employees who are pregnant and who, on the advice of a doctor, midwife or health visitor, attend a clinic or other place for ante-natal care will be granted reasonable time off with pay.
- 2.6.5 Confirmation of medical appointments or notification for other medical treatment should be provided to support the request for time off.

## 2.7 **BEREAVEMENT**

- 2.7.1 Reasonable time off with pay will be granted in the case of the death of a near relative. Line Managers should be sympathetic to the situation faced by the employee and agree with them what is reasonable and appropriate in the circumstances.
- 2.7.2 Where employees are required to conduct business in connection with a bereavement, leave as necessary will be allowed, due regard being taken of the circumstances.
- 2.7.3 In other cases, an agreement should be reached between the manager and the employee about time off to attend the funeral service. This will not normally be more than one day with pay unless the employee has a significant distance to travel when the line manager has discretion to allow an additional day off with pay.
- 2.7.4 In normal circumstances it is expected that the employee will attend work before and after the funeral service.

## 2.8 **LEAVE TO BE SET AGAINST ANNUAL LEAVE**

The following requests for leave should normally be set against annual leave entitlement.

### 2.8.1 VISITING RELATIVES OVERSEAS

An employee visiting relatives overseas must use their annual leave entitlement.

Employees may also wish to consider applying for additional leave under the Board's [Enhanced Annual Leave Scheme](#).

Where an employee has completed 5 years continuous service at the date of the proposed leave, reasonable extended leave up to 1 month may be granted without pay.

In exceptional circumstances employees with less than 5 years service may be granted leave without pay. This request requires to be approved by the Nominated Senior Officer and supported by employee's line manager.

### 2.8.2 WEDDINGS

Leave for weddings, including an employee's own marriage, must be set against annual leave entitlement.

For term time employees arrangements should be made out-with the school term for their own marriage. Only in very exceptional circumstances (e.g. where a husband/wife to be is in the armed forces and is only able to take leave at a specific time that coincides with the school term) a limited amount of leave without pay will be granted.

One day will be granted as reasonable time off to attend a wedding and agreement between the employee and their manager should be put in place regarding how the time granted will be worked back during the course of the term.

### 2.8.3 MOVING HOME

Leave required in connection with moving home will normally be set against an employee's annual leave entitlement.

If an employee has exhausted their full annual/flexi leave entitlement, they may be granted 1 day's leave without pay.

For term time employees arrangements should normally be made out-with the school term or a request should be made for 1 day's leave without pay.

## 3. **SECTION 2 – NATIONAL, PUBLIC AND COMMUNITY EMERGENCY SERVICE**

The Board is committed to providing support to employees who have chosen to support their country or community in any way, and to accommodating those employees who are called on to carry out public duties. Accordingly the following leave arrangements will apply:

### 3.1 RESERVE FORCES

An employee of the Board who is a member of the reserve forces and attends an annual training camp for a period of one week or more will be granted up to 15 days special leave with pay. This will be subject to the deduction of service pay and allowances received in respect of the period of special leave.

Employees who are members of the reserve forces and who are called up for national service will be granted special leave for a period of up to 6 months. Any payments will be at the discretion of the Nominated Senior Officer and will be subject to the deduction of service pay and allowances made in respect of the period of the period of national service.

### 3.2 JURY AND WITNESS SERVICE

An employee who receives a summons to appear on a jury or as a witness will normally be granted special leave with pay to attend unless exemption is secured.

This pay is subject to the deduction of associated allowances which the employee must claim.

### **3.3 PUBLIC DUTIES**

An employee who serves on a Children's Panel or as a Justice of the Peace will be granted up to a maximum of 10 days per annum to attend hearings.

If employees serve on both then a maximum of 10 days paid leave is aggregated for both purposes. All the above is subject to exigencies of the service.

### **3.4 INTERNATIONAL AND SPORTING/CULTURAL EVENTS**

An employee representing their country in an amateur international sporting event or an important international cultural event, may be granted up to 10 days paid leave in any annual leave year. For special events e.g. Olympic Games, Commonwealth Games, employees may be granted up to a further 10 days paid leave.

Requests may also relate to duties such as national coach and umpiring/refereeing/adjudicating at sporting events.

This request needs approval from the Nominated Senior Officer and requires to be supported by employee's line manager.

### **3.5 COMMUNITY VOLUNTEERING**

The Board will support unpaid leave for employees who participate in community volunteering e.g. to assist at Youth Organisation Holiday Camps.

This will be subject to the exigencies of the service.

### **3.6 LEAVE IN SUPPORT OF THE DEMOCRATIC PROCESS**

Election Duties: subject to the exigencies of the service, employees undertaking official duties such as Presiding officer or Polling Clerk at Elections will be given leave with pay.

Election Candidates and Agents: employees who are candidates or election agents for the Scottish, Westminster or European Parliaments or Local Elections are granted leave of absence without pay for up to 4 weeks at the time of the election.

Councillor Duties: employees undertaking duties as Councillors with a Local Authority will be granted reasonable time off, paid leave is limited to 208 hours in any financial year.

### **3.7 COMMUNITY EMERGENCY SERVICES**

Employees who participate in community emergency services, e.g. retained fire-fighters and lifeboat crew will be granted leave of absence with pay to attend emergencies which occur during working hours.

## **4. SECTION 3 – OTHER LEAVE**

### **4.1 SPECIAL PURPOSES**

Leave with pay will be granted to allow an employee to undertake duties or services of an honorary, charitable, philanthropic and civic character. Normally this will not exceed one day in any one year.

#### 4.2 **EXAMINATION LEAVE**

Employees will be granted paid time off to sit examinations as part of a work related course of study. Employees who undertake a course of study, either self-funded or sponsored by the Board will be required to use annual leave, flexi leave or unpaid leave for the purposes of study leave. If an employee wishes to request time off to train or study on a flexible working basis they should refer to the Board's [Flexible Working Policy](#).

#### 4.3 **VOLUNTARY SERVICE OVERSEAS**

Employees applying for voluntary service overseas with the Voluntary Service Overseas Organisation shall be granted leave of absence without pay for a period of up to 2 years, provided the employee has 2 years continuous service with the Board. Following completion of the period of absence, resumption of duties with Ayrshire Valuation Joint Board will be on the basis that the employee will be reinstated on the salary grade and placing held immediately prior to the commencement of the period of leave, but not necessarily to the same post. During the period of absence, the post held by the employee may be filled.

#### 4.4 **CAREER BREAK**

##### 4.4.1 INTRODUCTION

The Board provides a career break option for employees who have 2 years continuous service with Ayrshire Valuation Joint Board. A career break will only be approved where service delivery can be maintained or enhanced.

For all other employees, the scheme is not available to employees who are trainees or are on temporary fixed term contracts.

The application form for a Career Break (Appendix 2/PER/CB/1 must be completed by the employee and forwarded to the Board's Personnel Representatives for approval. The application form details how much notice is required from the employee. Once the application has been approved, the employee will be issued a letter confirming the terms and conditions relating to the Career Break.

##### 4.4.2 REASONS FOR A CAREER BREAK

Reasons for requesting a career break are specifically to concentrate on childcare responsibilities, care of a dependant, participation in voluntary work, travel, religious retreats or to pursue academic study. This differs from a secondment which involves transferring an employee to another Service or to another partner organisation.

##### 4.4.3 LENGTH OF THE CAREER BREAK

The length of a career break will depend on the reason for the request. In some circumstances, there will be a predictable and definite end date (e.g. end of a University Degree), in others (e.g. care of a seriously ill relative) this will not be an exact science. In cases such as the latter, it would be appropriate to place a regular review date on the career break arrangement.

The minimum length of a career break will be 3 months with the maximum being 2 years. However, in the case of academic study the maximum leave is 4 years.

Employees who intend to request a break of 3-12 months should apply at least 3 months in advance. For employees in management positions, this should be 6 months. For breaks of 1-2 years and 4 years for academic study, all employees should apply a minimum of 6 months in advance.

An employee may have a maximum of two career breaks. There must be a minimum period of two years continuous service between employment breaks.

#### 4.4.4 TERMS AND CONDITIONS DURING A CAREER BREAK

During a career break the employee's contract in that post is suspended and all service related benefits i.e. annual leave, sick leave, maternity, adoption, paternity leave, together with unfair dismissal and redundancy entitlements, will be frozen until the employee's return to employment when the contract will resume.

An employee will return to the same spinal column point/grade/salary which they held prior to the career break. Where there are workforce and organisational structure changes during the employees career break the Board's [Managing Workforce Change Policy](#) will be applied.

An increase in salary/increment for employees who are not at the top of their salary scale when they commence their career break will be in line with the service accrued from the career break return date i.e. the duration of the employment break will not be counted as service when considering placement on the salary scale, nor will it be considered when calculating reckonable service.

#### 4.4.5 CONTACT PERIODS AND WORKING DURING A CAREER BREAK

Managers and employees can agree to undertake, where practical, a minimum of 5 days (paid) work referred to as "contact periods" for each 6 months of the career break. These can be completed individually or in block and would be for the purpose of keeping training and development up-to-date.

Employees who are on a career break will not normally be allowed to undertake employment in the UK, other than on a seasonal basis (a maximum 16 weeks) with another employer. This is viewed as directly conflicting with the aims and objectives of Ayrshire Valuation Joint Board's career break scheme.

However, an employee on a career break can apply for internal temporary vacancies with the Board. This will be on an ad hoc, job-share/part-time, term time, temporary or project basis and authorisation should firstly be sought from the Nominated Senior Officer before accepting the position. For example, an employee on a career break for the purposes of studying could work outwith the academic term (covering Christmas, Easter and summer holidays).

#### 4.4.6 MAINTAINING SERVICE DELIVERY DURING A CAREER BREAK

A career break will only be authorised with the provision that service delivery can be maintained or enhanced. How service is maintained will be determined on an individual basis i.e. predicted length of break, type of vacancy. Options available include:

- Existing employee temporarily acting up

- Recruit internally as a secondment
- Advertised externally as a temporary fixed term contract.

A career break may be agreed with conditions e.g. only finally authorised when the vacancy has been filled.

#### 4.4.7 COMMUNICATION DURING THE CAREER BREAK

Keeping in touch is essential to the success of a career break for both the employer and the employee. For the employer, it demonstrates a commitment to retaining the employee. It also assists to maintain an employee's skills and knowledge and by doing so, eases the return to work experience. Therefore in terms of communication, there is a dual onus and responsibility from both the employee and the employer during a career break.

The level of communication with an employee during a career break will vary according to the size of the department, the type and level of job and the length of the career break. It is therefore essential to strike a balance between providing too much and too little information.

Communication/information could include the following:

- Access to vacancies;
- Professional Journals;
- Team Meeting notes/Seminar and Briefing notes;
- Training Courses;
- Social Events e.g. invitation to team lunches;
- Home Visit/Review Meeting;

In order to ensure that regular contact is maintained, a career break partner/mentor should be nominated from a colleague in the department. They would also support the employee during "contact periods".

There is an important role for the Manager to maintain communication and where practical, visit the employee. This will enable any questions to be answered, to identify any training needs and to review the progress of "contact periods".

#### 4.4.8 WORKING ARRANGEMENTS ON RETURN FROM A CAREER BREAK

An employee must give a minimum of 3 months notice confirming the exact date when they wish to return to work, after a career break. Management recognise that individual circumstances can change and will consider flexibility for employees to return to work sooner than envisaged. This will take into account any contractual obligations towards any person(s) covering the career break vacancy, service delivery etc.

Employees may require training (re-skilling, up-skilling) before returning to work from a career break. Employees should attend a meeting with their manager in advance of their return to discuss the post they are returning to and to agree any appropriate training programmes. This may include distance learning or a phased return.

On return from a career break, an employee will be guaranteed a position with similar responsibilities, in line with the Board's policy of managing workforce change.

#### 4.4.9 BENEFITS AND FINANCIAL CONSIDERATIONS

Employees on a career break will still be able to take advantage of certain employee services e.g. financial and health care advice, occupational health, counselling, physiotherapy etc.

However, employees will be unable to take advantage of any service which requires a salary deduction e.g. pension fund, trade union membership, credit union savings, childcare vouchers, cycle to work scheme and home computing initiative hire payments.

For payroll advances, overpayments or debt recovery, with consideration to the amount owed and length of career break, these deductions should be either repaid before commencing the career break or continued throughout the career break.

An employee considering a career break must be aware of the financial implications regarding national insurance contributions, state benefits, state retirement pension, and pension fund etc. An employee should investigate the financial implications at the time of applying for the career break, Strathclyde Pension Fund Office can be contacted on 0845 213 0202 or visit [www.spfo.org.uk](http://www.spfo.org.uk) for more information.

## **5. RIGHT OF APPEAL**

Where the employee has been refused the request for Special Leave they have the right of appeal via the Board's [Grievance Policy](#) and [Procedure](#).

*South Ayrshire Council have carried out an Equality Impact and Diversity Assessment on the Special Leave Policy. Ayrshire Valuation Joint Board have adopted South Ayrshire Council policies. No further impact assessment is required as the amendments to reflect Board status were minor.*
